### Rules and Regulations

#### 1) Squad and replacement players

- 1.1 Teams will have a squad of 9 player, which will be announced in the open ceremony. Semi-pro or professional players are not allowed to participate and league coordinators have the right to disqualify professional players.
- 1.2 In the event a player is ruled out for the duration of the season, a permanent replacement can be selected, subject to league coordinators' agreement. The player who is removed cannot participate in the remaining season.
- 1.3 Players must have legitimate medical reasons to be considered for a refund i.e. injury during the league. Refund is subject to coordinators' decision between gameweek 1-5, with no refund post gameweek 5.
- 1.4 In the event a player is unpunctual, the player will receive a warning from the league coordinators. Regularity may result in a permanent replacement, subject to league coordinator's decision.
- 1.5 If a team has **less than 7 players to play on a specific match day** due to absences in their squad, **an external replacement player will be allowed** subject to the opposing captains agreeing to the replacement. The replacement player chosen should be at a similar level for a player who is missing. If a replacement cannot be agreed upon, the final decision will be made by the league coordinators.
- 1.6 Teams are not allowed a replacement for a suspended player.
- 1.7 **Final squad replacements must be confirmed by 3pm on the match day Saturday.** After this deadline it will be at the discretion of opposing captains and league coordinators if replacement is allowed for any last-minute emergencies. The same rule applies if any injury happens during the match and the team goes down to 5 players and they wish to add another player. Strictly referees and recorders cannot be considered.
- 1.8 **Replacement players will be charged £6 a session** and need to be chosen from shortlisted players from ABYF Sports/Football WhatsApp group-subject to coordinators agreement.

#### 2) Duration of the game

- 2.1 Referees will toss a coin with the captains, and the winner decides between choosing pitch side or first kick-off.
- 2.2 Each match is 45 minutes long - 20 minutes each half with a 2-minute break and swap over during this time.
- 2.3 Referees are allowed to add up to 1 or 2 minutes (max) of additional time at the end of each half.
- 2.4 **Matches must start at 7:20pm and 8:10pm** punctually.
- 2.5 In the event a team arrives with less than 4 players, the opposition will be awarded a goal every 8 minutes until a team of 5 or more is fielded. **It is the captain's duty to ensure his team is ready for Kick-off.**

#### 3) Substitutions

- 3.1 Teams can use an unlimited number of rolling substitutions. Substitutions should take place only when there is a break in play i.e. free kick / kick-in (throw-on) – Referee must be informed prior to this.
- 3.2 Players must enter/leave the field of play either from behind their own goal line or nearest side line of the pitch.

#### 4) Playing Kit

- 4.1 All players must wear their designated team kit. **Any player not wearing the team kit will be given a 5-minute sin bin prior to match 1 & 2, resulting in less number of players on the pitch, regardless of the availability of other players in the team.**

- 4.2 All players are requested to cover awrah when playing, please avoid wearing shorts that do not cover your knees.
- 4.3 Players must ensure they wear appropriate footwear – **Metal studded boots are strictly not allowed and will result in suspension.** We recommend all players to play with Astros to enhance the safety of all players. (Plastic moulded boots are allowed although please avoid, if possible)
- 4.4 **Shin pads are recommended for all players for your own safety.** Failure to do so is at your own risk.

#### 5) Ball in/out of play

- 5.1 When the ball goes out of play behind the red lines on either side of the pitch, a kick in will be awarded. **The ball cannot be played off the walls on either side.**
- 5.2 For a kick in, the ball must be placed on the ground to continue play. It will be treated as an **indirect freekick** with players 3 yards away from the ball's placement. **In the case a goal is directly scored via a kick in, the goal will be disallowed and a goal-kick awarded to the opposition.**
- 5.3 When the ball goes out of play at the goal line, a corner kick or goal kick will be awarded, subject to last touch.
- 5.4 The ball must be out of play when the team wishes to change goalkeeper or make a substitution. Referees must be informed.
- 5.5 When the ball is **returned to the keeper from an outfield player via a back pass, they cannot pick up the ball. Infringement will result in a penalty.** The exception to this is a kick in being returned and collected by the keeper.
- 5.6 Players can tackle the ball off the goalkeeper inside the area to retrieve the ball when the ball is in play.
- 5.7 A goalkeeper can pick up the ball in the goalkeeping area or with a back-pass via a header or passer's chest, or a pass that is deemed accidental. The pass that is deemed accidental is at the referee's discretion. Any infringement results in a penalty.

#### 6) Methods of Scoring

- 6.1 When the ball is on the floor, **goals are only allowed if the ball is shot outside the semi-circle. The whole ball must be outside the semi-circle line.**
- 6.2 **Goals are allowed inside the semi-circle if they are first time volleys and headers. The ball should not bounce.** Players that initially lift the ball into the semi-circle cannot be the scorer of the goal. The player that initially sets up the ball must be outside the box otherwise will result in a free kick to the opposition.
- 6.3 When the player is in control of the ball in the opposition's area, the player must exit the ball out of the semi-circle before a shot is allowed on goal; infringement will result in a free kick for the opposition.
- 6.4 In the event the ball is shot in the semi-circle by an attacking player away from goal and hits a defender inside the semi-circle resulting in an own goal, the goal will not stand, a goal-kick will be awarded.
- 6.5 If a goalkeeper takes a **goal kick or kicks the ball during play** and the ball goes directly into the opponent's goal, the goal **will be allowed.** However, a long throw from a goal kick into the opposing goal will not be allowed as a goal.
- 6.6 After a goal is scored the game will be restarted from the centre of the pitch.

#### 7) Free kicks and Penalties

- 7.1 **Slide Tackling an opposition player is not allowed. A direct free kick will be awarded to the opposing team** (regardless of whether the player won the ball or not). All other forms of sliding are allowed i.e. saving the ball from going out of play or inside their goal, provided there is no opponent player that could be put in danger.
- 7.2 When any free kick is awarded, all players from the opposing team must be **3 yards away from where the ball is placed.**
- 7.3 A direct free kick is awarded if a player is fouled or impeded.
- 7.4 **The penalty kick is one step only.** Referee will provide a warning prior to the penalty being taken. Re-take will not be allowed once a warning has been given.
- 7.5 A handball will be given if a ball hits a player's hand which is in an unorthodox position. Ball-to-hand decisions are subject to the referee's decision.

#### 8) Goalkeepers Area

- 8.1 All field players are allowed into the goalkeepers' area at either end of the pitch.
- 8.2 Goalkeepers themselves must always remain within their area; **infringement at the referee's discretion will result in a penalty kick.**
- 8.3 Once the goalkeeper has placed the ball for a goal kick, they have 10 seconds to continue with play. 1<sup>st</sup> warning will be issued if the ball isn't played beyond this time and a 2<sup>nd</sup> warning will lead to a penalty being awarded to the opposition. Further warnings will result in additional penalties.
